The Maison Moschino ART SPA, natural wellness

Life deserves to be lived, naturally.

The Pevonia Botanica product lines: exclusively natural ingredients and high-tech production processes, which have been thoroughly researched and tested with maximum respect for nature and the environment.

The Maison Moschino ART SPA prefers Pevonia

Personal wellness is something to be desired, sought out and completely rediscovered. Pevonia uses the purest and most carefully selected marine and botanical extracts and its formulas never include artificial fragrances, mineral oils, alcohol, parabens, sodium lauryl sulfate, lanolin, PABA or artificial colorants. All this, with recyclable and biodegradable packaging that fully complies with the company's philosophy.

The Maison Moschino ART SPA, the irresistible elegance of exceptional quality.

You deserve nothing less than everything that you desire. In combination with its exclusively natural ingredients, Pevonia's high-tech manufacturing processes allow it to guarantee absolute quality and effective results.

FACE

THE ESSENTIALS

Deep Cleansing • 60 m.

The true “deep cleansing” for facial skin, specific for every skin typology. By means of consecutive phases including cleansing, exfoliation, with the application of a soothing, moisturizing or normalizing sebum mask, and manual methods designed to provide the utmost efficacy, the face will once again be luminous, tonic and relaxed.

Sevactive

Dry Skin: nourishing and moisturizing

Lavandou

Sensitive Skin: relaxing and soothing

Essential

Combination Skin: balancing and purifying

Purilys

Oily Skin: normalizing sebum

Clear-O-Zym • 60 m.

A special high-tech cleansing treatment: the first enzymatic, freeze-dried exfoliating treatment which helps to keep the skin moisturized, while cleansing the most problematic obstructions deep down. Especially useful for impure, and even sensitive skin types.

Basic Treatments from € 57,00 to € 69,00

HIGH PERFORMANCE

Science and Nature: The High-Performance treatments include the essences of all Pevonia treatments, but to a higher degree. Even the first session provides truly surprising results.

MOISTURIZING/DESENSITIZING TREATMENTS

Deep moisturizing - Vitaminic Concentrate • 60 m.

All of the efficacy of Vitamin A and E concentrations, with essential mandarin oil, to deeply transform dry and dehydrated skin, to contrast the first fine lines and the onset of the effects of aging with an anti free-radical action, as well as to immediately bestow luminosity to the facial skin.
